

Swedish Interior Design

Welcome to the beautiful world of Swedish Interior Design

Born of our passion for bespoke design and stunning handmade craftsmanship, Swedish Interior Design offers a unique, exclusive and very personal service to our clients. We believe in delivering Beauty, Elegance, Luxury and Inspirational Detail to the highest possible specification using only the most beautiful fabrics and bespoke finishes. We work very closely with our international clients to realise their perfect interiors and furniture designs and our artisan master craftsmen use only the very best traditional and innovative materials to bring the design concept into being.

We offer a range of exclusive lifestyles services:

International full service traditional & contemporary modern residential design, covering every facet of interior design from initial concept to finished interior, including specialised personal shopping & private product view for fabrics, lighting, materials and accessories.

Full project management & architectural support, CGI, CAD drawing & hand painted room visualisation for individual rooms, houses & estates.

Our commercial interior design service covers boutique hotels, restaurants, private clubs, yachts and aircraft & commercial residential developments worldwide.

Innovative bespoke kitchen & bathroom design & detailing to the highest specification using non-toxic organic eco design, paints & materials.

Our master cabinetmakers create unique bespoke dream furniture by hand from antique wood in traditional and modern styles to your exact specifications in our bespoke workshop. 'Modern art from ancient wood'.

Unique private collection of original 1800s Swedish, Gustavian, Biedermeier, Art Deco & Swedish Modern Antiques & Mora clocks supported by our specialist traditional master upholstery and antique restoration service.

Beautiful trompe l'oeil, precious metal gilding, marbling, marquetry and full scale murals, verre eglomise & bespoke etched glass as well as other unique metallised and bespoke finishes hand created by our British master artisans.

Specialist design & consultancy service for Robert Adam, Gustavian, Biedermeier, Swedish Country & Art Deco influenced interiors.

Our bespoke services are all handcrafted by individual master craftsmen in the UK.

Swedish Interior Design is proud to be a supplier to the American Express Centurion Concierge Service for Black American Express Card Holders.

Traditional Interior Design

We blend original Swedish antiques and stunning antique wood bespoke furniture with a serene sense of colour, texture and use of light, brought to life by our British master artisans using only the highest quality and the most unique materials and fabrics. Beautiful interiors for modern living.
